

PROPOSAL FOR EXTENSION OF PROGRAM OLIVIA FUND - OHRF

Dutch title

Including a Dutch summary in layman's terms

Max. ½ page

Objectives and results already obtained

Describe the objectives and the results of the previous project supported by the OHRF

Max. 1 page

Describe the objectives of extension

Describe the research hypothesis and the research objectives.

Describe how the extension will allow finalization and valorization of the running program

How does it fit within the mission of the OHRF? What impact could it have? How can it contribute to the improvement of treatment and care of (pediatric - to be added for the new projects) cancer patients.

Max. 2 pages

Describe the methodology of your research and workplan

Project duration is up to 2 year.

Show where the proposed methodology is according to the state of the art and where it is novel.

Enclose risks that might endanger reaching project objectives and the contingency plans .

Max. 2 pages

Bibliographical references that are relevant for your research proposal.

Financial plan

Give a breakdown of the budget.

The general norm will be support for one PhD student and consumables, app. 80 K€/y for 2 year

Max. 1 page

Short description of the research team

PI and researchers involved

Provide the reference for 5 publications of the team that you consider the most relevant for present research proposal.

Max. 1 page

Administrative data of the team

Affiliation

Address information

All documents should be submitted to the Committee (attn. Peter Marynen) before :
deadline

The committee will evaluate the proposals so final decisions can be ready, This will allow for the recruitment of new PhD candidates.
